## WE'RE COMMITTED TO LIFELONG LEARNING.

Whether you're looking to grow in your current position or take your career in a new direction, a graduate degree from Capital will get you where you want to go. We help professionals earn their degrees and prepare them to take the next step on their career path. With a graduate degree from Capital, you'll develop the skills you need to become a leader in your field. You'll form a network in the Columbus area and beyond that will set you up for career advancement and new opportunities. At Capital, we are dedicated to educating graduate students who want to make an impact where they work, live, or wherever their passions may lead them.

## WE PROVIDE THE PATH. YOU SET THE PACE.

Our programs are practical and delivered at the speed of the world around us. Our flexible hybrid degrees offer a mix of online, on-campus, and off-site experiences so you can complete your education while you work. Many of our programs can be completed in as little as two years, but we know that you have other life commitments, so we'll work with you to create a plan that fits your lifestyle.

---

**“I have been involved in many leadership and management training programs over the course of my career. I was looking for a structured and robust learning opportunity—one that would push me in ways that I hadn't been pushed before. Capital has a strong reputation academically, and because the MBA program is geared toward working professionals, the class offerings worked for my schedule.”**

Alison Marker, MBA, Class of 2023
